PRESIDENT'S MESSAGE

The Regional Show hosted by the Gulf States Chapter in April is over and everyone I talked to had a good time. I'm sorry I could not attend because of previous plans. Now is the time to make your plans for the Regional Show to be hosted by the Sooner State Chapter.

I'm sorry to announce that our Mountain Regional Director has resigned. I would like to thank Ray Roberts for the fine job he has done for the Falcon Club of America. I have appointed Jan Brown to replace Ray. Jan has been very active in the Mile-Hi Chapter and she will be an asset to our club.

We need articles and pictures for "The Falcon News." Please mail to Bronson Netterville. Also remember to make your plans for the 1990 National Convention.

--Gary Goddard, President FCA

A REMINDER FROM THE EDITOR

COPY FOR THE JULY ISSUE OF "THE FALCON NEWS" MUST BE RECEIVED BY JUNE 1. A long-standing commitment of the Editor means he will, of necessity, have to prepare the July issue early. Your cooperation will be appreciated.

TECH TIP

If you live in the rust belt like I do you probably need headlight Assemblies? Well--obsolete--right? No! You can still get them from Ford. Part No. D3KZ-13008-A, same as 60-65 Falcon, has all the holes. Just take the brackets off your old headlight assembly, for the headlight doors.--Kenn Putt.

A WINNER

Maxine Tucker, Ft. Worth, TX, recently won first place in the Texas Show Car Antique and Classic Car Show. Her car is a 65 Ranchero, and this is her fourth year as a winner.

SECOND ANNUAL REGIONAL MEET UPDATE

The Mason-Dixon Chapter, The Keystone Chapter, and the Northeast Chapter are working together to host the Second Annual Eastern Regional Meet, to be held in Toms River, New Jersey September 14-16, 1990. The area is centrally located for all to enjoy. Located 1 mile east of the Garden State Parkway, the Howard Johnson Motel displays a heated pool, lounge, and easy access to the Atlantic Ocean, Boardwalk, malls, theaters, and eateries. All within a 3 mile radius! The parking for the show will be next door to the Motel in the newly designed and landscaped First National Bank parking lot. All Motel rooms will overlook the lot. Plans for a banquet, or a sit-down dinner or being finalized. Anticipated are discounted coupons for many eateries, theaters, and mall stores. Many raffles and drawings will be held. Drop me a line or call: Steve Bortko, Committee Chairman, 914 Huntington Avenue, Pine Beach, NJ 08741--(201) 341-1571 after 6 pm.

CHAPTER DOINGS

FOUNDER'S CHAPTER drove their Falcons to the Dale Horn Ford Agency in Malvern, AR on April 14. We had 10 members displaying their Falcons along with other Ford enthusiasts for a great afternoon of fun and fellowship. Our next meeting will be on Saturday, May 12. All members are asked to meet at Shoney's in Benton, AR at 8 am (earlier if you plan to eat breakfast). Our Falcon Caravan will leave Shoney's at 8:30 am and drive to Magnolia, AR where we will meet on the parking lot of the First Methodist Church for a fund day with Jim Keith and FCA members in Southern Arkansas and Northern Louisiana.

THE CORNHUSKER CHAPTER, on March 11, had a booth at the swap met. We were able to pick up 6 potential members. We were surprised to see 5 National members from out of state. Our next meeting will be on May 20 at Pioneers Park for a picnic. Hope to have a big turnout.

THE GATEWAY CHAPTER met sat Shoney's Restaurant in North St. Louis County on March 25. Responses are coming back very slowly on the questionnaires we sent out to all the chapters regarding the planned tours for the August Convention. We need to hear from you so we can better plan the tours to accomodate everyone. We would like to invite all parts vendors for the Swap Meet. Plenty of room is available for spaces at reasonable prices. The car show and swap spaces will be centrally located on one large lot. For further info contact Don Branson, Rt 2 Box 243, Marthasville, MO 63357. (314) 228-4501 evenings or weekends. COME DOWN TO EARTH--EARTH CITY, MISSOURI--IN AUGUST THAT IS! SEE YOU THERE!

THE KEYSTONE CHAPTER had 40 in attendance at its second annual Keystone Chapter Dinner. Marin Ennis was a guest on Berks Community TV's "Spare Parts" program earlier this year promoting the Falcon automobile and the Keystone Chapter. Planning for the Second Annual Regional Meet continues, with the dates set for September 14-15, inToms River, NJ.

THE MASON-DIXON CHAPTER had 38 attending their annual dinner. The Chapter now has Chapter Tee Shirts. On May 19 the Chapter will meet at Smith Ford in Denton, MD.

THE ALAMO CHAPTER recently lent a helping hand to a fellow Falconeer. On January 27 President George Myers, Ed Kowalski, Rolf Kargl, Jim Wells, and Herschal Barber (who coordinated the trip) went to Kerrville, TX to help Dr. Harvey Kornblit, who had been having problems with his 63 4dr Sedan which he bought last October. With the assistance of Richard Maples, who provided the parts we thought we would need, we set off that morning. After going over the car carefully, we repaired a coupe of minor problems which were found. After that the car was running GREAT! After everyone had cleaned up, Dr. and Mrs. Kornblit treated us to a fine BBQ lunch. The weather was fantastic for the trip and we enjoyed it very much. We were glad to help a fellow Falcon owner in need. Shown in the photo above are (L to R): Ed Kowalski, Herschal Barber, George Myers, Dr. Harvey Kornblit, Rolf Kargl, and Mrs. Harvey Kornblit.

THE NORTHWEST CHAPTER, Bob Rudolph, President, meets each first Sunday of the month at the United Methodist Church, 1919 W. Pioneer, Puyallup, WA, at 1 pm. The Chapter if having aFord Falcon Rally on June 3, 1990.

THE MILE HI CHAPTER members met on March 17 and enjoyed a St. Patrick's Day pot luck supper together followed by a business meeting and gab session. A full spring and summer season of events have been planned. Our membership continues to grow, with several new families joining. The Chapter will meet on May 18, at the Public Service Building.

GATEWAY TO CHINA

Submitted by Don Branson--Gateway Chapter

I would like would like to share with you my experience recently with two nice Chinese gentlemen. My friend and neighbor, Don King, who is a professor of law at the St. Louis University School of Law, asked if he could bring two Chinese friends out to see my car collection.

One day shortly before Christmas he brought them out for some sightseeing and stopped in. The two visitors were Professor Chen Kang Yang and Professor Chen Zhilun. They are both Law Professors and Faculty members of Sichuan University, located in Chengpu, People's Republic of China.

They are in charge of drafting and proposing laws for the government in China. They have also published numerous books on patent laws and logic and legal analysis.

St. Louis University is hosting them here as part of the affiliations program of the United States Information Agency. They are spending about four months participating in classes, lecturing, doing research and visiting with local business men, judges and practicing lawyers.

They were totally overwhelmed at the different things they got to see and do while they were here. They got to see the Gateway Arch, go fishing, boating, etc. thanks to Don King.

They thoroughly enjoyed looking at my collection of forty or more cars and had numerous questions. They speak and understand English so I tried my best to explain different things about the cars and answer their questions.

They informed me that they nor their children will ever be allowed to own a car in China. Only top government officials are allowed to have one. They are only allowed to have a bicycle.

They were immediately impressed with the two Falcon Sprint H/T's parked in my driveway. When I opened my garage door they couldn't believe what they were seeing. I have thirteen cars in the garage. My wife Janice's Red '64 Sprint H/T, my '65 Futura convertible, '63 Futura convertible and others. They looked them over very thoroughly. They were awed at the chrome on the engine on the '64 Sprint. Another thing that caught their attention was a 29 Model A Coupe chopped and channelled with a 350 Chev. Engine and no hood and fenders with rear tires about 18 inches wide. They couldn't imagine what a car like this was made for. That took some explaining.

When we went outside to the back of the garage where there are about 35 more cars, they wanted to know if they were all mine, also how many people in my family and how many were licensed to drive. When I explained just my wife and myself, they then asked why all these cars and only two people to drive. They could not believe one person could own that many cars and they could only own a bicycle.

It must be very hard for them to accept what we can have and own here in good old America. I'll bet they had a lot to tell their families when they got home. We recently got a letter from them thanking us for the good time they had here. Their family also enjoyed the 20 pounds of popcorn they took home with them. I thoroughly enjoyed having them as visitors. Their final words were St. Louis is not only the Gateway to the West but also the Gateway to China.

TECHNICAL HELP WANTED

I was judged at an Antique Automobile Club of America show this past year. My body bolts (the ones that hold the front fenders on) on my 64 Falcon Sprint are black in color. The AACA says they should be cadmium plated. Can anyone send me some type of Documentation on this? Thank you. Ed Snyder, 818 W. Callowhill St., Perkasie, PA 18944. (215) 257-2422.
